

To all Customers
of MEDi Kabel GmbH

Waldkraiburg, April 2026

Information acc. Toxic Substance Control Act (TSCA)6(h)

Dear Ladies and Gentlemen,

The Toxic Substance Control Act (TSCA) is a US regulation for the following substances:

- | | |
|---|----------------|
| - Decabromdiphenylether (DecaBDE) | CAS 1163-19-5 |
| - Triphenylphosphat, isopropyliert, PIP (3:1) | CAS 68937-41-7 |
| - 2,4,6 – Tri-tert-butylphenol | CAS 732-26-3 |
| - Hexachlorbuta-1,3-dien | CAS 87-68-3 |
| - Pentachlorthiophenol | CAS 133-49-3 |

Based on the results from our supplier information, we can confirm that our products do not contain any substances from the list. Chemical analyses were not and are not commissioned by MEDi Kabel.

We hope to have been able to help you and remain

with kind regards
MEDi Kabel GmbH
